

ALTON TOWN COUNCIL

RETENTION OF DOCUMENTS POLICY

Alton Town Council recognises that the efficient management of its records is necessary to comply with its legal and regulatory obligations and to contribute to the effective overall management of the Town Council.

This policy applies to all records created, received or maintained by Alton Town Council in the course of carrying out its functions. Records are defined as all those documents which facilitate the business carried out by the Town Council and which are thereafter retained (for a set period) to provide evidence of its transactions or activities. These records may be created, received or maintained in hard copy or electronically.

A small percentage of Alton Town Council's records will be selected for permanent preservation as part of the Council's archives and for historical research.

Responsibilities

The Town Council has a corporate responsibility to maintain its records and record management systems in accordance with the regulatory environment. The person with overall responsibility for the implementation of this policy is the Town Clerk who is required to manage the Council's records in such a way as to promote compliance with this policy so that information will be retrieved easily, appropriately and in a timely manner.

Retention Schedule

Under the Freedom of Information Act 2000, the Town Council is required to maintain a retention schedule listing the record series which it creates in the course of its business. The retention schedule lays down the length of time which the record needs to be retained and the action which should be taken when it is of no further administrative use.

The Town Clerk is expected to manage the current record keeping systems using the retention schedule and to take account of the different retention periods when creating new record keeping systems. This retention schedule refers to record series regardless of the media in which they are stored.

Retention of Documents

Minutes	Indefinite	Archive
Annual Accounts	Indefinite	Archive
