Date of Next Meeting – 21st April 2021

speeds. Traffic calming measures do not appear to have any effect and the police, who are aware of the issues are also failing to do anything about the problem. He, too, is looking to the council to do something and urge the police to put a stop to this anti-social behaviour which is having an adverse effect on his mental health and well-being. Mr Souter made further representation stating that the police had advised that without decibel technology they were unable to take further action as the bikes in question satisfied the requirements in terms of their being legal. He further added that both the 101 service and website were equally dire and reaction time from the police was too slow.

Councillor Matthew Bayliss sought support from the Committee in tackling the issues highlighted and tabled options for consideration: seeking that those standing for election as the Police & Crime Commissioner position in May be individually invited to meet with representatives of the council to understand the issues relating to anti-social behaviour and be given the opportunity to state what they would do should they be successfully elected. Secondly the Community Partnership Meetings (organised by District but which had not met now for some considerable time due to Covid restrictions) be set up and established as Alton centric only with the Town Council establishing this forum and organising a meeting as soon as possible with stakeholders.

Councillor Pam Jones enquired of Councillor Matthew Bayliss what had transpired following his representation on the same subject to the Hampshire Association of Local Councils. In responding he advised that there was a lot of "making noise and getting nowhere". This Council can do something about this. If the Chief Constable has the answer, the question remained as to "*who can get to the Chief Constable*" and it was his belief that this was the Police & Crime Commissioner hence his opinion that this link is the route that should be followed.

Councillor Matthew Bayliss believed there was still value in getting in touch with all candidates in order to alert them to the issues in Alton and that this council should get the Community Partnership Meetings up and running again in Alton.

In response, Councillor Graham Titterington advised that the committee had put a lot of effort into engaging with the police but acknowledged that limited progress had been made. He felt that the view of the committee was that there was value in communicating with the Police and Crime Commissioner candidates to make them aware of this problem and other antisocial behaviour issues affecting the town, once it has been worked out the best way to communicate with them on this as a council. Also, it is the wish of the committee to seek to convene the Community Partnership meeting, ideally within the auspices of EHDC but if not to do so as a Town Council. Further, Councillor Titterington took on board the comment from Councillor Joy that it would be as well to include the current Commissioner in communications albeit that he will only be in post until the beginning of May.

Councillor also suggested that a letter from the Mayor not just to the Commissioner but also to Chief Inspector Alex Reading would be appropriate.

2. A local resident has expressed concern to District Councillor Paula Langley at the grass verges in the vicinity of Pound Gate being churned up by irresponsible parking on the soft verges which have now turned to mud. This has been referred to EHDC Portfolio holders and County Councillor Andrew Joy with a desire that at District and County level a solution can be agreed.

3. A written representation from Bob Booker to the Chair of the Committee has been received (and circulated) raising the subject of noisy, speeding vehicles in the Town - from the incessant loud engines, racing vehicles (both cars and bikes). Mr Booker was seeking assistance from the Town Council to see if it can help in any way as approaches to the Police have apparently not evidenced a cessation in this anti-social behaviour which is becoming an increased nuisance to residents across the town.

234 Applications

- 235.1 **Planning Applications:** On the proposal of Councillor Pam Jones seconded by Councillor Ginny Boxall it was

RESOLVED

That the views of the committee in respect of each application are as set out in the appendix to the minutes.

- 235.2 **Licencing Applications:** On the proposal of Councillor Graham Titterington, seconded by Councillor Richard Platt it was

RESOLVED

That the views of the committee in respect of each application are as set out in the appendix to the minutes.

- 235.3 Other correspondence/reports/information:

- 235.3.1 EHDC have issued a Consent Notice in respect of Cleveland, 11 Basingstoke Road, Alton GU34 1QB (Planning application 34677/003 refers).

The Town Council had lodged a strong objection to this application and were disappointed that the Ward Councillor Ginny Boxall had not been successful in her request that this application be brought before the District Planning Committee. The Committee agreed that the Mayor would write to Simon Jenkins as the Director of Regeneration and Place at EHDC expressing Alton Town Council's concerns in an apparent change in Policy and seeking assurances that the democratic right of a Ward Councillor to request an application be referred to the District Planning Committee was still in place.

Mr. Tony Hazel (member of the public) was invited to speak and he also raised his concerns to the Committee that it would appear that the Ward Councillor had been refused their right to refer the matter to the District Planning Committee.

- 235.3.2 Notification from EHDC Licencing of a Hearing in respect of The Twisted Teacup application scheduled to take place as follows:

Date: 5 March 2021

Time: 10.00 am

Location: Remote – Skype for Business

NOTED

- 236 To consider any matters or reports pertaining to Highways/ Parking/Public Transport, Housing, Street Naming and any current Public Exhibitions/Consultations

- 236.1 East Hampshire District Council (Alton: Victoria Road) (Temporary Closure) Order 2021. It is expected that the works will last for 2 days or until the works are completed, whichever is the sooner starting on or after the 25 February 2021 (attached). Notwithstanding, the above, it is expected that the closure will be required for 2 days between the hours of 9.30am and 3.30pm.
- Councillor Pam Jones raised her concerns at the number of road closures and route diversion signs currently in place across the town.
- 236.2 Stagecoach have advised of changes to the frequency of the No. 13 Bus Service which serves Alton to Basingstoke. Full details of the revised timetable can be found at https://tison-maps-stagecoachbus.s3.amazonaws.com/Timetables/South/Basingstoke/BA%2011%20Jan%202021/BE210110_Route13.pdf
- 236.3 South East Contracting have provided the following update in respect of the electrical upgrade works taking place in the High Street:
- Weyside Walk is now fully open and SSC have removed the barriers and swept and made good.
 - Bakers Alley – they are still working on this as there is one joint that is being a bit more problematical to be done, but it is open, but with restricted access until the work is complete.
- 236.4. County Councillor Andrew Joy advised Hampshire Highways have started litter picking/clearing the verges along the A31 from Four Marks to the Surrey border.
- 236.5 Hampshire County Council is seeking views on a vision, desired outcomes and the guiding principles behind a NEW Hampshire Local Transport Plan. Further information and to leave feedback visit <https://www.hants.gov.uk/transport/localtransportplan>
Feedback must be submitted by 28 February 2021
- 236.6 The South Downs National Park Authority (SDNPA) is consulting on the draft Camping and Glamping Technical Advice Note (TAN). The purpose of the Camping and Glamping TAN is to give clear direction to all those involved in the planning application process regarding camping and glamping development in the South Downs National Park (SDNP). It should be read alongside the South Downs Local Plan (SDLP), in particular Policy SD23: Sustainable Tourism and the Partnership Management Plan (PMP). The final TAN will be a material consideration for relevant planning applications once published.
- Responding to the Consultation
The Camping and Glamping TAN is available to view on the SDNPA website. The consultation will run for a period of six weeks, starting on Tuesday 2 February 2021. All comments must be received by 11.59pm on Tuesday 16 March 2021.
- 236.7 The lorry check point on the A31 (Alresford) has now been removed and the road fully re-opened which was welcomed by the Committee.

The meeting finished at 8.24 p.m.

Dear Mrs Coney

Re: Proposal for a Defibrillator in Alton Market Square

I am writing, on behalf of Alton Lions Club (CIO) to ask if it would be possible to install a defibrillator on the Town Hall building in Alton Market Square.

The defibrillator will be funded through the Alton Lions Supporters Fund, with possible support via an HCC Members Grant.

If given the go ahead, this will be the fourth defibrillator in the town, since 2016, supported by Alton Lions.

Used as a meeting place, and central to the town's night time economy, the Market Square seems to be a logical location for a defibrillator and, if agreeable with Alton Town Council and with East Hampshire District Council planners, the Town Hall would seem an appropriate building on which to site it.

As with the defibrillator attached to Alton Assembly Rooms, once installed, it would be dependent too on Alton Town Council taking on responsibility for maintenance.

We look forward to hearing from you on this.

With best wishes

Moira
