Dear Tom

Re: Alton Town Council
Internal Audit Report for Financial Year Ended 31 March 2026

Executive summary

Following completion of our final internal audit on 22nd of April 2026 we are pleased to enclose our report for your review and presentation to the council. The audit was conducted in accordance with current professional standards and guidelines, employing a risk-based approach to our testing. While not all transactions were examined, our sample testing, where appropriate, covered the full financial year.

Some assertions, as noted in this report, were tested at the interim internal audit completed on the 9th of July 2025, 3rd of October 2025, and 7th of January 2026 and the council should review all internal audit reports for the year before completing the Annual Governance Statement.

The structure of this report aligns with the assertions set out in the Annual Internal Auditor Report section of the published Annual Governance and Accountability Return (AGAR). Each section begins with a summary of the assertion being assessed, followed by details of the testing undertaken, which was guided by the audit plan previously shared with the council. A copy of the audit plan is available upon request. The report concludes with our opinion on whether each assertion has been met as of the date of the audit. **Any recommendations for action are highlighted in bold and summarised in the table at the end of the report.**

Our testing did not identify any procedural errors requiring reporting to the external auditor at this time, nor did we observe any material weaknesses in internal controls that would pose a risk to public funds. In fact, the processes and procures together with own built in compensating controls are robust, strictly followed and in many respects a model of good practice.

We are pleased to report that overall, the systems and procedures currently in place are appropriate and effective. While this report may include recommendations for improvement, these should not be viewed as indicators of significant deficiencies. Rather, they are intended to support the continued development of what is, in our view, a well-managed and robust governance framework.

I have completed the Annual Internal Audit Report page of the AGAR and provided this to the council for onward submission to the External Auditor.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes.

The primary purpose of internal audit is to assess and report to the authority on the effectiveness of its financial systems and other internal controls, including the operational procedures that support its activities.

The internal audit function involves testing and evaluating whether the authority’s internal control framework is both adequate and functioning effectively. Internal audit reports should be made available to all Members, providing a basis for informed decision making when considering the authority’s approval of the Annual Governance Statement.

Independence and competence

Your audit was conducted by Mark Mulberry of Mulberry Local Authority Services Ltd, who has over 30 years’ experience in the financial sector with the last 14 years specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Engagement Letter and inherent risk assessment

An engagement letter was previously issued to the council covering the 2025/26 internal audit assignment, which includes the scope and plan of works and fee structure. Copies of this document are available on request from anna@mulberrylas.co.uk

In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR.

It is our opinion that the inherent risk of error or misstatement within the council’s financial systems is low. The internal control environment is considered reliable, and as such, substantive testing of individual transactions is not deemed necessary at this stage.

Audit testing will therefore consist of walk-through testing on a selection of sample data, covering the period under review within the current council year. This approach is designed to confirm that key controls are operating effectively throughout the financial period.

Internal Audit – Summary of recommendations	17

INTRODUCTION

The audit was conducted on site with the Clerk, Deputy Clerk and Assistant to the Clerk, who also acts as the council's Responsible Financial Officer (RFO). The Assistant to the Clerk had prepared the information advised in advance of the visit, and overall, I have the impression that accounting records are neatly maintained and easily accessible.

Other information was reviewed through discussion with the team and a review of the council website www.alton.gov.uk

UPDATES ON RECOMMENDATIONS FROM INTERIM AUDIT

Internal Audit – Summary of recommendations

Audit Point	Interim Audit Findings	Council comments
Governance	I recommend the council draw up a new IT policy to encompass assertion 10 and undertake a data audit to identify where data is stored and how protected. I have signposted the deputy clerk to a local council where this can be seen in practice.	Completed 4/3/26 Min ref 140
Risk	I would recommend that the linked reserves strategy is updated as this is dated 2016. In addition to this, I would recommend the production of a policies calendar to ensure all policies are reviewed in time.	Completed 28/1/26 min ref 118
Publication - website	I recommend a review of the layout of the financial page on the website.	In-progress – much clearer now
Income & VAT	I therefore recommend the council review the VAT settings on the sales ledger in accordance with the guidance below. I recommend an exercise is undertaken to list all the costs incurred on exempt supply items to ascertain the amount of VAT reclaimed.	Completed
Fixed Assets	I recommend the asset review dates be added to the register on Rialtas.	Completed

A. BOOKS OF ACCOUNT

Internal audit requirement: Appropriate accounting records have been properly kept throughout the financial year.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

CONCLUSION: I am satisfied this control objective has been met.

B. FINANCE REGULATIONS, GOVERNANCE AND PAYMENTS

Internal audit requirement: This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved and VAT was appropriately accounted for.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

CONCLUSION: I am satisfied this control objective has been met.

C. RISK MANAGEMENT AND INSURANCE

Internal audit requirement: This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

We discussed assertion 8 on the Annual Governance Statement and whether this had any impact on the council.

“We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements.”

The Clerk confirmed that they were not aware of any event having a financial impact that was not included in the accounting statements.

CONCLUSION: I am satisfied this control objective has been met.

D. BUDGET, PRECEPT AND RESERVES

Internal audit requirement: The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

Budget

The Assistant to the Clerk produces regular detailed budget reports from the accounting software. The year-end budget report shows income/receipts reported as 98.8% of budget and expenditure/payments at 80.2%. There is evidence within the minutes of meetings that councillors regularly receive budget reports for review, providing them with sufficient financial information to make informed decisions. There is no evidence that the budget was not set correctly.

The driver behind the underspend was reduced salaries expenditure. The budget monitor is careful & measured.

Precept

Full council set a precept of £890,180 in the meeting on the 8th of January 2025 minute ref 101. With a tax base of 7,609.3, this equates to a band D equivalent of £116.99 (compared to the average in England of £92.22). I was able to confirm that the precept amount recorded in the accounts is correct, and equals the amount recorded in box 2 of the Accounting Statements.

The Deputy Clerk confirmed that the 2026/27 budget and precept of £946,920 were approved by the council at the meeting held on 10th December 2025 (minute ref 89.3).

Reserves

The Smaller Authorities Proper Practices Panel (SAPPP) Practitioner's guide provides updated guidance on the appropriate level of general reserves that councils should retain as below:

5.33 The general reserve of an authority comprises its cash flow and contingency funds to cover unexpected inflation, unforeseen events and unusual circumstances.

5.34 The generally accepted recommendation with regard to the appropriate minimum level of a smaller authority's general reserve is that this should be maintained at between three and twelve months of net revenue expenditure.

5.35 The reason for the wide range is to cater for the large variation in activity level between individual authorities. The smaller the authority, the closer the figure may be to 12 months expenditure, the larger the authority, the nearer to 3 months. In practice, any authority with income and expenditure in excess of £200,000 should plan towards 3 months equivalent general reserve.

5.36 In all of this it is important that each authority adopt, as a general reserve policy, the level appropriate to their size, situation, risks and plan their budget so as to ensure that the adopted level is maintained. Consideration of the minimum level of reserves requires not only consideration of level of income and expenditure but also the risks to that income.

5.37 *Authorities with significant self-generated income (other than the precept or levy) should take into account situations that may lead to a loss in revenue as well as increased costs and adapt their general reserve accordingly.*

At the year-end, the council held circa £2,007,410 in reserves, split between categories as below:

• Capital EMR	£333,862
• CIL EMR	£609,522
• S.106	£nil
• Earmarked EMR	£945,355 + 7,500 - 188,512 = £764,343
• General Reserves	£118,671 – 7,500 + 188,512 = £299,683

I checked the purpose of these earmarked reserves with the Assistant to the Clerk and am satisfied they are all for legitimate future planned projects of the council.

The general reserve balance is within range compared to the recommended range as detailed in the Practitioner's Guide. However, the balance is at the bottom end of the scale, as long as council discusses this each year and mindful of its general reserve this is a good position to be in as it does not over tax the local community but also provides sufficient funds for the council to operate.

I have made two reallocations to the in-house schedule to recategorise reverses to the appropriate headings and the Assistant to the Clerk has updated the schedule whilst I was on site.

CONCLUSION: I am satisfied this control objective has been met.

E. INCOME

Internal audit requirement: Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

The precept has been correctly posted to Box 2 of the GAR with all other income in box 3.

There is no evidence of netting off of income and expenditure.

CONCLUSION: I am satisfied this control objective has been met.

F. PETTY CASH

Internal audit requirement: Cash payments were properly supported by receipts, all cash expenditure was approved and VAT appropriately accounted for.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report

I verified that the balance of coin agreed to the amount shown in the accounts.

CONCLUSION: I am satisfied this control objective has been met.

G. PAYROLL

Internal audit requirement: Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

I reviewed the figure included in box 4 (staff costs) on the Accounting Statements and was able to confirm from the accounting software that in accordance with the guidance contained in the Smaller Authorities Proper Practices Panel (SAPPP) Practitioner's guide this includes only salary payments, HMRC payments and pension contributions.

I also verified the March entries to payroll files. There were no errors or discrepancies.

CONCLUSION: I am satisfied this control objective has been met.

H. ASSETS AND INVESTMENTS

Internal audit requirement: Asset and investments registers were complete and accurate and properly maintained.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

I confirmed the asset register total matches that included in box 9 (total fixed assets plus long term investments and assets) of £3,161,685 on the Accounting Statements and was able to trace the changes to the previous year's total against the asset register. The council added £78,732 of assets.

I confirmed by sample testing of the invoices that items added during the year has been accurately recorded as the original net purchase price.

We noted the values written on the AGAR were taken from the current value column of the register instead of the historic value column. This has been corrected on the AGAR and note of explanation written for the external auditor to explain the restated position for 2024/25.

The council has long-term investments valued at £333,929.02

The council has borrowing through the PWLB and I have agreed the closing balancer to the underlying statement.

CONCLUSION: I am satisfied this control objective has been met.

I. BANK AND CASH

Internal audit requirement: Periodic bank account reconciliations were properly carried out during the year.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

I reviewed the year-end bank reconciliation for all accounts and was able to confirm the balances on 31 March 2026 to the bank statements and found no errors. I was able to confirm the total bank balances to the figure included in the Accountings Statements on the AGAR.

The council has four bank & cash accounts at the year-end:

Unity Trust Current	£74,755.56
CCLA Deposit x 2	£1,966,778.16
Petty Cash	£474.22
Total	£2,042,007.94

CONCLUSION: I am satisfied this control objective has been met.

J. YEAR END ACCOUNTS

Internal audit requirement: Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Audit findings

The year-end accounts have been correctly prepared on an income and expenditure with a requirement to complete the box 7 and 8 reconciliation., which correctly shows debtors and creditors. I have agreed these back to under lying documentation and or payment after date and found no errors or discrepancies.

The AGAR correctly casts and cross casts and last year's comparatives match the figures submitted for 2024/25 and published on the council website.

The variance analysis has been completed with sufficient detail for the external auditor.

CONCLUSION: I am satisfied this control objective has been met.

K. LIMITED ASSURANCE REVIEW

Internal audit requirement: If the authority certified itself as exempt from a limited assurance review in the previous year, it met the exemption criteria and correctly declared itself exempt.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

CONCLUSION: The council did not certify itself exempt from a limited assurance review in the previous year and the testing for this internal control objective is not applicable.

L: PUBLICATION OF INFORMATION

Internal audit requirement: The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation.

Audit findings

All councils are required to follow The Accounts and Audit Regulations which include the following requirements:

13(1) An authority must publish (which must include publication on that authority's website)

- (a) the Statement of Accounts together with any certificate or opinion entered by the local auditor in accordance with section 20(2) of the Act; and
- (b) the Annual Governance Statement approved in accordance with regulation 6(3)

13(2) Where documents are published under paragraph (1), the authority must

- (a) keep copies of those documents for purchase by any person on payment of a reasonable sum; and
- (b) ensure that those documents remain available for public access for a period of not less than five years beginning with the date on which those documents were first published in accordance with that paragraph.

I was able to confirm that pages 4 (Annual Governance Statement), 5 (Accounting Statements) and 6 (External Auditor's Report and Certificate) of the AGARs are available for review on the council website for the previous five financial years.

Confirm that the council is compliant with the relevant transparency code

For councils with a turnover over £25,000, it is recommended best practice to follow the Local Government Transparency Code 2015, but not a statutory requirement and therefore not subject to verification during the internal audit.

The council has a dedicated finance page on the website where additional financial information is provided such as payments over £500.

The council also has a model publication scheme and can provide information regarding payments over £100 on request.

CONCLUSION: I am satisfied this control objective has been met.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS

Internal audit requirement: In the year covered by this AGAR, the authority correctly provided for a period for the exercise of public rights as required by the Accounts and Audit Regulations.

Audit findings

Inspection – Key Dates	2024/25 Actual	2025/26 Proposed
Date AGAR signed by council	7th May	6 th May 2026
Date inspection notice issued	30th May	2 nd June 2026
Inspection period begins	3rd June	3rd June 2026
Inspection period ends	14th July	14th July 2026
Correct length (30 working days)	Yes	Yes

Common period included (first 10 working days of July)	Yes	Yes
--	-----	-----

I am satisfied the requirements of this control objective were met for 2024/25, and assertion 4 on the Annual Governance Statement can therefore be signed yes by the council.

I reviewed the proposed dates for the Exercise of Public Rights for the 2025/26 AGAR and confirm that these are in accordance with the requirements of the Accounts and Audit Regulations.

CONCLUSION: I am satisfied this control objective has been met.

N: PUBLICATION REQUIREMENTS

Internal audit requirement: The authority complied with the publication requirements for the prior year AGAR.

Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage.

Before 1 July 2025 authorities must publish:

- *Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited*
- *Section 1 - Annual Governance Statement 2024/25, approved and signed, page 4*
- *Section 2 - Accounting Statements 2024/25, approved and signed, page 5*

Not later than 30 September 2025 authorities must publish:

- *Notice of conclusion of audit*
- *Section 3 - External Auditor Report and Certificate*
- *Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.*

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

The external audit report and notice of conclusion have been posted in time to the council website

CONCLUSION: I am satisfied this control objective has been met.

O. DIGITAL AND DATA COMPLIANCE

Internal audit requirement: The authority has complied with laws, regulations and proper practices relating to digital and data compliance.

Audit findings

The Smaller Authorities Proper Practices Panel (SAPPP) Practitioner's Guide (March 2025) contains guidance on the new Governance Assertion included on the 2025/26 AGAR which relates to this internal control objective.

Website

I was able to confirm that the council website contains a Privacy Notice and a Website Accessibility Statement. The Website Accessibility Statement is dated September 2020. The council has undertaken a project with its website provider to update the accessibility, I have seen clear evidence of this.

The council has an IT Policy in place which was last reviewed March 2026

Email management and GDPR

It was noted the council has a generic email address on a domain owned by the council and has established common email addresses for all councillors. This is recommended because it gives a natural segregation between work and personal lives, making it clear beyond doubt in what capacity a councillor is acting. In addition to this it gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.

The council has undertaken a simple data audit which is published on the council website and is dated March 2026.

CONCLUSION: I am satisfied this control objective has been met.

P. TRUSTEESHIP

Internal audit requirement: Trust funds (including charitable) – The council met its responsibilities as a trustee.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

CONCLUSION: The council has no trusts this test does not apply
