

PUBLIC
CONSULTATION

HAVE YOUR SAY ON KING'S POND

Alton Town Council is asking residents to help decide the future of King's Pond. Two options have been developed — no decision has been made. You are invited to take part in a consultation survey and your views will help the Council's decision on which option to proceed with.

An independent consultancy, Enventure Research, has been appointed to manage and analyse responses to the consultation survey. Their report will be published on the Alton Town Council website.

THE TWO OPTIONS

DREDGING PLUS

The pond would be restored and enhanced through silt removal, bank and island strengthening and reprofiling.

RIVER & POND

The River Wey would run through the site alongside a smaller pond restored as in the Dredging Plus option.

Further details about both options will be available at the Drop in Sessions and Public Briefing Sessions. Alternatively you can scan the QR code on the front of this leaflet or visit alton.gov.uk/kings-pond-project to view information.
